TESTIMONIAL

MILOT-MILLS CO.,

Gentlemen—Vegetable seeds purchased from you last year enabled me to have the finest garden I ever had. Yours truly,

THOS. JONES,

September 30, 1930.

Entiat, Washington.

Field Seeds

GRIMM ALFALFA

This is probably the best known and most talked of variety. No other strain of Alfalfa is as hardy as true Grimm. Because of its extreme hardiness it is being grown extensively where winter killing is a serious factor. If you have a high water level or hard pan to contend with, Grimm is the proper type to use. Our Grimm comes in bags sealed and tagged under government supervision. This insures a true, genuine, Grimm type. Use 12 to 15 lbs. per acre.

Montana Alfalfa

Of all the common strains Montana grown Alfalfa seed is considered by all agricultural authorities to be one of the hardiest. As it is grown west of the Dakotas it is acclimated to the severe winters of that territory. Over a period of years the Montana State Agricultural College has shown in its test plots that Montana Alfalfa is the king of all common strains. Seed at rate of 15 to 20 lbs. per acre.

SOME FACTS WORTHY OF YOUR ATTENTION

Montana Alfalfa Seed is now recognized everywhere as being the hardiest of all Alfalfa and therefore the most consistent high yielder in hay tonnage.

Flower Seeds ... Per Package 10c

Classification of Flower Seeds for Special Purposes

This page is intended to aid you in the selection of seeds that you may have flowers for every purpose.

FLOWERING ANNUALS, ALSO PERENNIALS WHICH FLOWER FIRST SEASON FROM SEED.

Varieties Marked * Are Best for Beds and Masses.

Aubritia	*Dianthus	Nasturtium

SUDAN GOOD PASTURE CROP

Sudan grass used as a summer pasture crop made an excellent record during the drouth, according to records just compiled from data obtained at the Hamilton County Experiment Farm at Mt. Healthy, Ohio. A five-acre field of Sudan grass provided most of the pasture for a herd of 23 cows for a period of 61 days. The Sudan grass was sown June 14. 20 to 30 lbs. per acre are needed.

STANLEY'S BIRD REPELLENT

is one sure cure for troublesome birds. Not only birds, but moles, squirrels and all pests will leave your corn fields severely alone if you coat your seed corn with it just before planting. You don't have to wait for it to dry, and it positively will not clog the planter. It is not poisonous and therefore, will not kill birds or animals, but it WILL keep your corn fields free from damage that runs into money and time, if you have to keep replanting all the time. Large can, enough for 2 bushels of seed corn (8 to 10 acres), \$1.50; half-size can, \$1.00.

Fleming's Egg Keep

Fleming's Egg Keep is guaranteed to keep eggs perfectly fresh and fine flavored for nine months, or even longer, if necessary.

No Cold Storage, Musty or Stale Smell about them.

They retain their natural sweet flavor. Think what that means!

In this simple, harmless, tasteless, colorless, and reasonable priced product, the user has all the advantages of a fresh laid egg without the disadvantages of a musty, water glassed,

oil processed, paraffine covered or cold storage egg. A positive prevention of mouldy, musty flavor common to all eggs stored about three or four months.

FLEMING'S EGG KEEP not only keeps the egg sweeter and more delicate in flavor with no visible evidence of having been artificially kept, but saves time on labor, costly equipment and ma-

chinery. In fact, it is so far ahead of anything ever discovered or invented that it has actually revolutionized the art of keeping eggs fresh.

The prices and sizes are as follows:

EGG KEEP is put up in two different size packages: 2 oz. and 4 oz. cans. Each can will put up 60 and 120 dozen eggs. Prices, parcel post prepaid to your address, per can \$1.00 and \$1.50.

2 oz. cans puts up 60 dozen; 4 oz. cans 120 doz.

Cel-O-Glass

Is sold in rolls 3 feet wide and 28 inches wide and in any length up to 100 linear feet. It is used for storm doors, windows, hot-bed sash and in fact anywhere you would use glass. Splendid for poultry houses, sleeping porches, etc. Price 13 1/2 cents per square foot, or 95 cents per yard for the 28-inch width, and \$1.25 for the 36-inch width.

Cel-O-Glass is a light weight, unbreakable material that admits light almost as clear glass. It is hailproof, heatproof, coldproof and weatherproof.

Sun Cloth or Sun Glass

Is made in 30-inch width. Price per running yd. 35c. Postpaid.

Raffia

Raffia—Natural color. Price ¼ lb. 20c; postpaid 25c; not postpaid, per lb. 40c.

STIM-U-PLANT

STIM-U-PLANT TABLETS are an ideal food for potted plants; they are clean; they take up small space, and one-quarter of a tablet is enough to use at a time on small plants.

EASY TO USE

Simply insert in soil near plants, or dissolve in water at the rate of four tablets to the gallon and apply as liquid manure. 30 tablets, 25c; 100 tablets, 75c; 1,000 tablets, postpaid, \$3.50.

ODORLESS—CLEAN—EFFICIENT

For Lawns, Gardens, Shrubs, House Plants, Fields and Orchards

BOOK FREE. Tells just how. Sold only in 25-lb. cotton bags. \$2.75; 2 lb. pkgs., 45c.

A 25-lb. bag covers a lawn space of 1,200 square feet. Lasts a year or more. A tablespoonful to a hill of potatoes, tomatoes or ordinary rose bush means abundant flowers, crisp, early vegetables. A tablespoonful for 6 to 8-inch potted plants. Positively kills cut worms.

Specially prepared plant food for lawns, gardens, flowers, shrubbery, trees and plants.

Vigoro is easy to apply. Simply sow it by hand like grass seed or apply it with a kitchen colander. For large areas a plant food distributor will save time and make a more even distribution.

Vigoro should be used at the rate of four pounds per 100 square feet (10 ft. by 10 ft.) in the spring and fall. The table below shows the amount of Vigoro ordinarily needed for the different sized lots for spring and fall feeding. For summer feeding use one-half the amounts shown.

Size of Lot	Amt. Vigoro Needed	Size of Lot	Amt. Vigoro Needed
30 x 125 ft.	50 lbs.	100 x 150 ft.	350 lbs.
50 x 125 ft.	125 lbs.	150 x 150 ft.	550 lbs.
75 x 150 ft.	250 lbs.	200 x 300 ft.	1600 lbs.

Prevents Mildew, and is a summer dust spray for insects and fungus diseases. Pound 15c; postpaid, 25c.

KEY BRAND ANT KILLER

A powder that will positively kill ants.....50c

Semesan Semesan Jr. Semesan Bel

SEED DISINFECTANTS

Control Diseases, Increase Yields, Improve Quality

SEMESAN—This disinfectant can be applied in either the liquid or convenient dust form to prevent or control effectively a most diversified variety of parasitic diseases and fungoid growths borne by seeds, seed pieces, plants, grafts and soils. Semesan is harmless to seed and plant life but extremely poisonous to disease and fungous organisms.

SEMESAN JR.—A less expensive but equally effective form of Semesan for the dry dust disinfection of both field and sweet corn seeds against the ear, root and stalk rots.

SEMESAN BEL—Applied to whole or cut seed potatoes, either as a dry powder or white-wash-like water mixture. Semesan Bel will prevent or control the common seed-borne potato diseases.

VEGETABLE SPRAY

CARCO WILL PREVENT ROOT MAGGOT

A wonderfully effective spray for destroying Grubs, Maggots and Worms which infect TURNIPS, RADISHES, BEETS, CAULIFLOWERS, CABBAGE, ONIONS, etc., and highly recommended for use in combating CROWN BORERS in strawberries. The root maggot, as well as the strawberry crown borer, is hatched from an egg deposited on the plants by the maggot fly. This fly dislikes the odor of the spray, and will not deposit the eggs where the odor is present. Carco is highly recommended by market gardeners and large growers of vegetables. Is sure death to ants. Half pint, 50c; pint, 75c; quart, \$1.25; gal., \$2.75.

ARSENATE OF LEAD

Arsenate of Lead—half lb. pkg., 20c; one lb., 30c.

TOBACCO DUST

For dusting plants affected with Aphis; also used on squash vines and melons. 1 lb., 15c; postpaid, 20c; 5 lbs., 75c; postpaid, 90c.

BLACK LEAF "40"

A Concentrated Solution of Nicotine
For the convenient information of those desiring to use "Black Leaf 40" the following suggestions are made:

Against sucking insects, such as Green and Woolly Aphis, Pear Psylla, Grape Leaf Hopper, Pear Thrips, etc., 1 part "Black Leaf 40" to about 900 to 1000 parts water.

Against more resistant plant lice, such as Black Aphis and Rosy Apple Aphis, 1 part "Black Leaf 40" to about 500 to 700 parts water.

Price, 1 oz. bottle, 35c; half lb. tin, \$1.25; 2 lb. tin, \$3.50; 10 lb. tin, \$13.50: Not mailable.

Insecticides, Bordeaux, Etc.

BORDEAUX MIXTURE

Used principally for Mildew, Blight and Fungus Diseases of all kind. Half lb. 25c; postpaid, 30c; 1 lb., 40c; postpaid, 45c; 4 lbs., \$1.40.

Evergreen Spray

Non-Poisonous Remedy for Aphis. This is one of the most valuable of recent introductions, giving us a safe remedy for that most difficult pest, the aphis or plant louse. Useful against plant lice, rose beetle, red spider, squash beetles, cabbage worms, cut worms, potato bugs, and all similar pests. Can be sent by mail, 1½-oz. bottle makes 6 to 9 gallons of spray, 35c here or 40c postpaid. 6 ozs. make 30 to 35 gallons, \$1.00 here or \$1.10 postpaid. Larger sizes quoted on request.

Spraying and Dusting

FOR CABBAGE WORMS

Spray or dust with Arsenate of Lead and Soap, Slugshot, or Evergreen Spray.

CELERY AND TOMATO BLIGHT

Spray or dust with Bordeaux Mixture.

CORN EAR WORM

As soon as silk appears, spray with Arsenate of Lead and Sulphur.

VINE CROPS

Spray with Bordeaux Mixture and Arsenate of Lead.

GREEN OR BLACK APHIS

Spray with "Black Leaf 40" or Evergreen.

RED SPIDER AND WHITE FLY

—on rose bushes and climbing vines. Spray hard on under side with cold water, but always before noon to avoid mildew.

Cyclone Seeder

Saves Valuable Seed by Even Distribution

Uneven seeding is wasteful. The Cyclone will sow many acres per hour and any amount per acre. Does the work quickly. Saves labor. It has been a success for more than 40 years. Many hundreds of thousands of farmers in America, Canada, Europe and other countries have long relied on it for sowing clover, timothy, alfalfa, oats, wheat or any other seed that is sown broadcast.

Construction—Its well known Double Feed insures a uniform flow of seed. Slope Feed Board keeps hopper properly filled. Feed adjustment is automatic and starts or stops flow of seed instantly. Distributing Wheel scatters seed evenly. Throws equal amounts to equal distances on each side of operator. Price \$2.50. Not Postpaid.

Poison Gas Balls

Exterminates Ground Squirrels, Pocket Gophers, Prairie Dogs. NON-EXPLOSIVE

No Danger of Killing Stock or Game Birds

Light the ball and drop it in the hole. The burning ball creates a gas heavier than air. It gets the whole family. Each 2½c; 100, \$2.00; 500, \$8.00... Weight 75 lbs. per 1000. Not postpaid.

Slug Shot (Hammond's)

A light non-poisonous composite, fine powder for killing Potato Bugs, Currant and Cabbage Worms, Green and Black Fly, Beetles and Caterpillars. Full directions on each package. 1 lb. perforated box, 25c; postpaid, 30c; 5 lbs., 75c; postpaid, 90c.

Garden Hose

First Class Rubber Hose—Such as we use in the greenhouses. Any length you wish, size ¾-in. Per foot15c
Couplings, 25c extra.

Sprayers

The "Misty" Sprayer is used to apply all kinds of insecticides on plants, etc. Made of good tin and holds 1 quart. Price each 50c; postpaid 60c.

Transplanted—25c doz.; \$1.50 per 100; \$15 per 1000. For 5000 or more, \$12.50 per 1000.

Any of the above tomato plants, out of beds, 20c dozen; \$1.00 six dozen; \$1.25 per 100; \$6 and \$8 per 1000.

Golden Queen—Try a dozen or 100 of these; they are certainly fine. Large golden yellow tomato. 25c per dozen.

YELLOW HUSK OR GROUND CHERRY

Prepared for preserves, they are unequalled for delicacy of flavor. Very easily grown. Plants 25c per dozen; 5 dozen \$1.00.

PEAR-SHAPED YELLOW TOMATO
 Fine for preserves—Price, per dozen 25c.

The New Vogue Is for Color

Color and lots of it is today's fashion in the home ground planting. Color everywhere is possible only with extensive planting of those things which provide it—Shrubs, Vines, Bulbs, Annuals and Perennials. Each has its place in the modern landscape treatment.

Modern homes are set in modern gardening—and proper planting can give even older houses a new and modern charm. Now front yards are open and inviting, with plantings massed to mark the borders of the plot and frame the sweeping view of velvet lawn. Trees and foundation planting are so placed to frame, not hide, the house and make the home seem nestled softly into place.

BEDDING PLANTS Brighten Your Home with Milot-Mills Flowers

Allysum—Carpet of Snow—Single compact dwarf for borders. 5c each; 60c per dozen.

Allysum—Double Snow White—Trailing, fine for baskets and boxes. 10c each.

 Crimson Rambler—Crimson.
 Pink Rambler—Dorothy Perkins.
 Excelsa—Red, Dorothy Perkins.
 Dr. Van Fleet—Cl. Flesh pink.
 Climbing Eugene Jacquet—Cherry red.
 Climbing Lady Gray—Bright pink.
 Pauls Scarlet—Climber. Intense scarlet.
 Climbing Roserie—Glowing pink.
 Climbing Shower of Gold—Deep yellow.

Hardy Perennial Flowers

Including special types for Rock Gardens.

Color is the dominant note in today's gardening. Yesterday we had advanced in gardening conception so that our back yards were at least decently clothed with green mown grass, and bound in by appropriate groups of flowering shrubs. That was splendid—so much better than the uncouth barrenness of service yard and rubbish piles, so common the day before. So now, we are not content with green grass alone and the fringing shrubs, but demand color; all colors, and lots of each.

There is no other way to satisfy this desire and obtain a quick effect, than by planting flowers. Many delightful colorful beds can be established of "Annuals" raised from seed (or transplanted from supply commercially grown by others). Here is where the Hardy Perennials come into their own. Beautiful in a thousand types and expressions. Once planted they continue year after year with no further gardening concern beyond cultivation, cutting and thinning.

Hardy Perennials

Artemisia (Silver King)—A wonderful addition for your shrubby or perennial border, forming a large compact mass of beautiful silver foliage. Fine for cutting. Price 20c, 25c, 50 each.
 Aconitum (Monk's Hood)—Beautiful blue. Two shades. 20c each.
 Aubretia—Blue, violet and rose mixture. Produces great masses of bloom in early spring, fine for rockeries and borders, very hardy. Young plants 10c each; \$1.00 per dozen.
 Anchusa—A very hardy, vigorous growing plant, with large spikes of bright forget-me-not blue flowers. 25c and 50c each.
 Bellas (or English Daisy)—60c per dozen.
 Coreopsis—Hardy plants. The flowers are large, rich golden yellow daisies; 2 or 3 feet. 35c and 50c per clump.
 Campanula (Bellflower, Canterbury Bell)—Blue, white and pink. Old fashioned hardy plants, easily grown. 1 year old, 25c each; 2 year old, 50c each; small plants, 15c, or \$1.50 dozen.
 Carnations, New Hardy—This variety is of easy culture and produces enormous flowers, equal

to any grown under glass. Colors: Red, rose, yellow, maroon and mixed. Strong young plants. 10c each; \$1.00 dozen.

Columbine, Long-Spurred—10c each; \$1.00 dozen. Two-year Clumps, 35c and 50c each.

Cheiranthus (Allioni)—Perennial bearing gorgeous orange flowers. Height 12-16 inches. Charming in borders and rock gardens. 10c each.

Dielytra, or Bleeding Heart—50c to 75c each.

Dianthus (or Garden Pink)—A hardy perennial, 60c per dozen.

Digitalis (Foxglove)—An old fashioned plant. White, purple and pink. 15c each; large 75c ea.

Delphinium (Giant Hybrid)—Giant spikes of blue, and lavender. 25c and 50c each.

Delphinium (Belladonna)—Beautiful light blue. 25c and 50c each.

Delphinium Bellamosa—Dark blue, 25c & 50c each.

Delphinium (Mixed Varieties)—Young plants, 15c each; \$1.50 per dozen.

Delphinium (Wrexham or Hollyhock Flowering.) Gypsophilia (Baby's Breath)—The flowers either fresh or dried, are valuable for bouquet making. Roots, 25c and 50c each.

Golden Glow (or Rudebeckia)—Yellow flowering plant that should find a place in every garden, lawn and park. 25c and 35c each.

Hardy Asters—Tall flowering, stately plants, which bloom very late, usually after first frost, when other flowers are about gone. Lavender, white and blue. 25c and 50c each.

Helenium (Sneezewort)—These desirable perennials succeed in almost any soil. The flowers are splendid for cutting. Yellow and bronze. 25c to 50c each.

Hemerocallis Flava (Yellow Day Lily)—Blossoms of deep lemon yellow, flowers in June and July. Fragrant. 50c each.

Eryngium (Sea Holly)—Steel blue flower, 75c ea., young plant, 10c; \$1.00 dozen.

Hollyhocks—Separate colors, white, pink, yellow and red double. Out of pots, 20c each; and 2-year clumps, 50c each.

Iberis (Perennial Candytuft)—Dwarf evergreen plants, 6 to 10 inches, covered with blooms in spring and early summer. Excellent for rockeries. 15c to 35c each.

Saxatile Compactum—Hardy perennial. Excellent rockery or border plant, bearing bright yellow flowers from April to June. Height 9 inches. Small plant, 10c each; clumps, 50c each.

Hardy Iris

Caprice—Rosy red, Falls, deep rose red.

Gertrude—Rare violet blue.

Her Majesty—Rose pink, Falls, bright crimson.

Juanita—Deep clear blue. Tall grower.

Kochi—Rich dark purple.

Mrs. H. Darwin—Pure white. The best.

We also have several fine varieties in yellow, lavender, and buttonhole blues. These we have lost the names.

Price of the above named varieties, 20c each; \$2.00 a dozen.

Mixed varieties, 15c each; \$1.50 a dozen.

Japanese Lantern Plant—Each 15c to 35c.

Lily of the Valley—For outdoor planting in shady places. Pips. 10c each; \$1.00 dozen.

Peonies—What looks prettier than a well-grown peony plant covered with a mass of gigantic flowers? With ordinary care the plants will increase in size and number of blooms with each year. Our peony divisions have 3 to 5 strong eyes. Double reds, pinks and white. 60c each; three for \$1.50.

Poppy, Iceland—Hardy, mixed. 15c.

Poppy, Oriental—Hardy perennials, producing immense flowers in gorgeous red. 25c and 50c each.

Pyrethrum Hybridum—This grand old-fashioned hardy perennial is easy to grow in any good garden soil. Large daisies, in bright shades. 10c each; \$1.00 dozen. Blooming clumps, 35c and 50c each.

Peas—Hardy perennial climber. Splendid cut flowers. Red, white and pink. 25c each.

Statice Latifolia (Sea Lavender)—Masses of clear mauve, flowers that can be dried. 2 year, 50c and 75c each.

Shasta Daisy—Large clumps... 35c and 50c each.
Sweet William—Well known, free blooming. Per dozen, 50c. Large blooming clumps, 35c and 50c each.

Tritoma Pfitzerii (Red Hot Poker, Flame Flower, or Torch Lily, the Everblooming Flame Flower)—35c to 50c each.

Violet Plants—Each 15c; clump, 75c.

Viola Jersey Giant—A wonderful large violet flower. 25c each.

Primrose, Hardy English—Low growing, rich yellow and bronze flowers, fine for rockery. 3 inch pot, 25c each. Young plants, 75c dozen.

Physostegia (False Dragon-head)—One of the prettiest hardy perennials, grows bushy with spikes of delicate pink flowers. Young plants, 75c per dozen; large plants, 35c each.

Valeriana (or Garden Heliotrope)—Showy heads of old rose. 50c each.

Penstemons—Grows like Snapdragon, though it is more beautiful. Mixed colors. 75c dozen.

Yucca (Adam's Needle)—A majestic plant, especially fine for producing tropical effects. \$1.00 each.

Peonies

The Peony bears the first big flower crop of June and is a close rival of the Rose. While in season, it is more lavish in its bloom, and makes the more pretentious show, besides which it is hardier and more easily cultivated. Peony blooms are very lasting when cut, and in most cases are exquisitely scented. Plant 2 to 3 feet apart in deep, rich well-prepared soil, covering the buds but an inch or two. Do not expect much of them the first year, as they are slow in establishing themselves.

The most natural time to plant Peonies is early in September, but early spring planting—March 15 to April 15—is just as reliable for establishing the plants.

Pink, white and reds, 3 to 5 eyes, in choice double, 60c each; 3 for \$1.50.

Hardy Phlox

We have had many calls for bright colors, in red, etc. The following list will fill the needs for this attractive perennial flower. Price of all varieties, except Brilliant, 20c each, straight.

Baron Van Dedem—Cherry red.

Beacon—Brilliant cherry red, large flowers.

Bridesmaid—White with large crimson center.

Brilliant—Fiery scarlet. Very fine. 50c each.

Commander—Beautiful crimson red, with dark eye.

Eclairer—Bright rosy carmine, with lighter halo.

Enchantress—Bright salmon pink.

Firebrand—Brilliant orange scarlet.

Isabey—Salmon pink.

R. P. Struthers—Rosy cherry red.

Lord Raleigh—Deep purple, dwarf.

Seibold—Orange scarlet, red eye.

Mrs. Jenkins—Pure white.

Phlox—Splendid mixture, all colors, 15c each; \$1.50 dozen; large clumps, 25c to 50c each.

Chrysanthemums

HARDY OUTDOOR CHRYSANTHEMUMS

Betsy Ross—Large flowering white.

Early Snow—Medium size, white.

Golden Queen—Large, splendid yellow.

Pollworth—Large, incurve yellow.

Roserie—Large incurve rose.

October Rose—Large pink.

HARDY POM POM CHRYSANTHEMUMS

Early White—Round button-shaped flowers.

Roserie Purple—Round button-shaped flowers.

Sunshine—Small yellow, profuse bloomer.

September Pink—Small pink flower.

September White—Small white flower.

Price of all chrysanthemum plants, 15c each; \$1.50 per dozen.

Evergreens

Suitable for This Section

Juniper Sabena—Dark green, spreading variety. Price \$1.50 each.

Juniper Depressa—Low spreading juniper. 18 in. Price \$1.50 each.

Irish Juniper—Slender grower, 24 to 30 inches. Price \$2.00 to \$5.00 each; 12 inches, price \$1.00 each.

Chinese Juniper—1½ feet. Blue green. Pyramidal shape. \$3.00 to \$5.00 each.

American Arbor Vitae—Very fast grower. 3 to 5 feet. \$2.00 to \$3.00 each.

Virginia Juniper—2 to 3 feet. Columnar, dark green. \$2.00, \$3.00 and \$5.00 each.

Globe Arbor Vitae—12 to 18 inches. Round green and compact. \$2.00 to \$3.00; 10 in. 75c to \$1.00.

Chinese Arbor Vitae—18 to 30 inches, oval, green. \$2.00 to \$5.00 each.

Pyramidal Arbor Vitae—18 to 30 in. Pyramidal. 1.50 to \$6.00 each.

Golden Arbor Vitae—Dwarf compact. 12 inches, \$1.00; 18 inches to 2 feet, \$2.00 to \$3.50 each.

Lawson Cypress—18 inches. \$1.00 each.

Retinospora Plumosa—18 to 24 inches. Ball-like branches, very compact. \$2.50 to \$5.00 each.

Colorado Blue Spruce—18 to 24 inches. One of the most beautiful of the blue evergreens. \$5.00 to \$6.00; 12 inches, \$1.50 and \$2.00.

Norway Spruce—1½ to 3 feet. Dark green, very fine. \$2.00 to \$5.00 each.

Mugho Pine—New dwarf. Dark green evergreen. Everyone that sees it wants it. \$1.50 to \$5.00 each.

Boxwoods—6 to 12 inches. 75c to \$2.00 each.

Japanese Spurge—Dwarf evergreen for shady corners. Grows 6 inches high and spreads over the ground. Very hardy. 20c each.
Pick out your Evergreen in our nursery.
Small Evergreen—Same as above, 6 to 10 inches. Price 35c to 75c each.

Hardy Vines

Virgina Creeper—Very vigorous vine. 50c and \$1.00 each.
Ampelopsis Veitchi, or Boston Ivy—Rapid grower. Fine for covering brick chimneys, stone and cement walls. Each 35c and 50c.
Dutchman—Pipe vine, large leaves. 40c each.
Trumpet Creepers—Most handsome of all cultivated species, blooming profusely with long scarlet trumpet flowers in the late summer when no other vines are in bloom. Special price 3 year old stock, 35c, 50c and 75c each.
Kudzu Vine—A rapid growing vine. Out of pots, 25c each.
Hop Roots—25c each.
English Ivy—Strong vines, out of pots. 35c each.
Hall's Japan Honeysuckle—Fragrant flowers, pinkish yellow, rapid grower. 35c and 75c each.
Wisteria—Chinese purple. 50c each.
 (Look under Rose list for Vining Roses.)

Shade and Ornamental Trees

Weeping Willow—75c to \$1.00 each.
Red Bud—75c each.
Cut Leaf Birch—6, 7 and 8 feet. \$1.75, \$2.50 and \$3.75 each.
Siberian Elm—A most desirable tree for this section. 8 to 10 ft., \$2.50 each; 6 to 8 ft., \$1.50; 5 ft., \$1.00; special price for 6 or more.
Silver Maple—\$1.00 and \$1.50 each.
Norway Maple—\$1.00 and \$1.50 each.
Flowering Crab—\$1.00 each.
Flowering Cherry—Double pink flowers. 3 to 5 feet. \$1.50 each.
Purple Leaf Plum—Handsome form with rich purple leaves. 4 to 6 feet. \$1.00.
Scarlet Hawthorne—\$1.50 to \$2.50 each.
American Chestnut—4 to 5 feet. \$1.25 each.
Prunes (Triloba)—2 to 3 feet. 75c each.
Black Locust—6 to 10 feet. \$1.00 to \$2.50 each.
Globe Locust—\$2.00 to \$4.00 each.
Prunus Cistena—An ornamental tree, with long slim leaves of a bright reddish, purple. Very attractive. 5 feet, well branched. \$1.75 each.

Hardy Shrubs

The Finest Stock We Have Ever Grown

Our homes become homes in the true sense, only when they are planted. Ornamental shrubs are the foundation of all landscape plantings. We offer a wide selection of varieties to beautify your home and garden.

Planting—As soon as your shipment arrives, open up to verify stock, then heel-in somewhere in shaded, moist soil. Take out a few at a time to location. Dig holes large and deep enough to receive the roots without cramping; sift fine dirt throughout the network of fibrous roots; fill up, tamp solid, leaving no fissures. Soak thoroughly and rake the surface level.

Maintenance—Thereafter, make sure there is sufficient soil moisture. Keep ground cultivated and free from weeds, preserving a straight clean edge.

Pruning in the dormant stage is not injurious to the plant and often easier to accomplish, but, as a result, the spring bloom is not as abundant.

The ideal time to prune shrubs that blossom along their stems is just after the blooming period.

Almond Double Flowering—Pink or white. Very early. 75c each.

Althea Bush—Large, handsome flowers. Double red, white, purple and rose colors. Bloom late in summer. Price 75c to \$1.00 each.

Barberry Thunbergi—Three years. Price 25c to 50c. Discount on large quantities.

Barberry—New red leaf variety, very decorative. 75c to \$2.50 each.

Buckthorn—Tall, twiggy bush, dark green leaves and white flowers. Price 50c.

Button Bush—Globe flower with glossy leaves, 60c.

Buddleia ("Butterfly Bush," "Summer Lilac")—Of quick bushy growth; when the lovely bloom-spikes appear in July, the shrub, which had probably died down nearly to the ground during winter, is now a perfect, well-balanced specimen of about 5 feet; radiating a delightful perfume and glowing with the tints of the Spring Lilacs. It is best to cut them back annually. Plant this shrub for all summer bloom. Price, 50c and \$1.00 each.

Calycanthus (Sweet Scented Shrub)—An old favorite. Flowers are rich dark crimson. Delicious perfume. 50c and 75c each.

Caragana—Yellow, sweet pear-shaped flowers. A tall grower. Price 50c.

Cotoneaster—A class of refined fruiting shrubs having dense, dainty little rounded leaves darkly lustrous and with brilliant autumn color and a grand display of vivid fruits. Adapted to rockery and wall adornment, as well as to any other landscape usage. \$1.00 to \$2.50 each. Balled.

Cornus Stoloniifera—Red bark. White flower. Is very decorative. Price 50c each.

Deutzia Rosea—Double rose flower. Dense, quick grower. Price 75c each.

Deutzia (Pride of Rochester)—Shrub. White flowers. Price 75c each.

Desmodium—Purplish red flower. Late fall, 75c ea.

Elder—Finest golden leaved shrub. Flowers and fruit. Price 75c each.

Forsythia Fortunei—These splendid old shrubs, with masses of yellow, flowers very early in the spring. 50c and 75c each.

Honeysuckle (Bella Alba)—White. 60c each.

Honeysuckle (Bella Rosea)—Dense growing dwarf pink flower. Price 50c each.

Honeysuckle (Tartarian)—Tall pink. 75c each.

Honeysuckle (Tartarian)—Tall red. 75c each.

Honeysuckle (Tartarian)—Tall white. 50c each.

Hydrangea Arborescens (Hill of Snow)—Late blooming. Very attractive. Price 50c to \$1 each.

Hydrangea, P. G.—Large clusters of flowers. Price 50c, 75c and \$1.50.

Kerria, Japanese—Double yellow, a very desirable shrub. 75c each.

Lilac—Darkest. Price \$1.50 each.

Lilac—Single white. Price 75c to \$1.50 each.

Lilac—Persian purple. Price 50c to 75c each.

Lilac—Persian white. Price \$1.00 each.

Lilac (Marie Le Graye, S.)—Very fine, pure white. Price \$1.50 each.

Lilac (Sen. Volland, D.)—Rosy red. \$1.50 each.

Osage—Orange. 25c each.

Privet Hedge Plants—We offer the very best variety. Price \$8 to \$12 per hundred.

Prunes Triboli—Pink flowering plum. 75c each.

Pyracantha Lalandi (Firethorn)—An almost evergreen shrub allied to both the Thorns and Cotoneaster. Small, oval, shiny leaves set thickly on slender branches with numerous short thorns. Small white flowers in corymbs, replaced in fall by bright orange-red fruit. One

of the finest berried small trees. Can be trained for dwarf massing, as a ground cover; and makes a fine, dense, broad hedge to any desired medium height. Balled and burlapped. 1½ to 2 feet, \$1.75; 2 to 3 feet, \$2.50; 3 to 4 feet, \$4.00.

Pearl Bush (Grandiflora)—Hardy, pure white flowers in clusters on light wiry branches. \$1.00

Quince (Japanese)—Bright red flower; very early. Price 75c each.

Snowball—Very handsome, ball shaped flowers. Price 75c and \$1.00 each.

Snowberry Red—Covered with red berries most all winter. Price 50c each.

Snowberry, White—Twenty-four inches tall, with snow white berries. Price 50c each.

Spirea Anthony Waterer—Dwarf, bushy, spreading type. Rosy crimson. Price 50c to \$1 each.

Spirea Douglassi—Deep red flowers. 75c each.

Spirea Opulifolia Golden—Golden foliage, making a fine contrast in a planting. Price 75c each.

When ordering enclose price of merchandise plus postage.

Bulbs for Fall Planting

Bulbs, such as Hyacinths, Tulips, Daffodils, Narcissus, Crocus, Snowdrops, Anemones, Jonquils, and all hardy lily bulbs should be planted in the fall. Of these, we carry a large stock, and our price list is ready October 1st.

Lily Pools and Rock Gardens

Everybody is making rock gardens and lily pools these days. Even on the small lot there is some place where a tiny rock garden may be tucked away; the compactness of a rock garden is one of its charms. There is no end to the interesting combination of rocks and plants. Pygmy mountains, Lilliputian valleys, can be built of rugged rocks; a trickle of water pretend a mountain torrent, losing itself in a mirror pool.

Our Landscape Department is ever ready to take care of your needs in this work. We supply all labor and materials for a finished job, whether it may be formal or rustic.

Rocks, all sizes suitable for the particular size and location of your rockery, range in price from \$3.00 to \$5.00 and up. Bird Baths, 3 feet, \$12.50 each. Toad Stools, 18 inches to 2 feet, \$2.00 to \$5.00 each. Mushroom, Garden Seats, 2 feet, \$3.50 to \$5.00 each... Gnomes, brightly colored, \$2.50 to \$5.00.

WATER PLANTS

Water Lilies—In pink, rose, yellow and, white, all good bloomers, large flowers, 75c, \$1.00 and \$2.00 each.

Water Hyacinths—Blue blossom, 35c each.

Water Poppy—Yellow blossom, 50c each.

Water Moss—Fine for fish, grows very fast. 20c a bunch.

Duck Weed—Small floating plant. 15c a portion.

Water Iris—Tall sword-like foliage, yellow blossom, 50c each.

Water Calamis—Similar to Iris, but variegated foliage, odd flowers, 75c each.

Umbrella Plants—Foliage-like small umbrellas, 15c to \$1.50 each.

Ask for anything not listed.

GOLDFISH FOR THE POOL

Small, 15c each; medium, 25c to 35c; medium large, 50c to 75c; breeding size, \$1.00 to \$1.50 each. Special price on six or more fish. We can ship fish anywhere. Shipment made only by express. We charge 25c for crating.

Porch Baskets

What is more beautiful than a hanging basket filled with the proper vines and blooming plants? For best results you should have good soil. We have the soil and the plants best suitable. Baskets newly planted, \$1.00 to \$1.50. Well-grown baskets, \$2.00 to \$3.00 each.

Decorations

We specialize in decorations for weddings, churches, and the ballroom. Palms and ferns rented in groups of five, \$3.00; groups of eight to fifteen plants, \$5.00 to \$8.00.

For Weddings, Dinners, Parties, Churches, and the Ballroom. We rent Palms.

Funeral Flowers

Sprays—Flowers in season, \$2.00 to \$5.00.

Large Casket Sprays, \$6.00 to \$10.00.

Double Casket Sprays, \$12.00 to \$25.00.

Wreaths—Made of roses, carnations and other seasonable flowers. 14 inch, \$5.00; 16 inch, \$5.00 to \$6.00; 18 inch, \$8.00 to \$10.00. Larger wreaths, \$10.00 and up.

Lodge Emblems and Designs, etc., from \$5.00 to \$50.00, depending upon size and flowers desired. Appropriate cards furnished free of charge.

To the Home Builders of North Central Washington

"It's Not a Home Until It's Planted"

You will find listed in this catalog many seeds and plants you will need in planting your garden, both in vegetables and flowers.

If contemplating putting in a new lawn, avail yourself of the free service we offer. We will gladly tell you how to proceed; how and when to apply fertilizer, moisture, and sowing the seed, and the most particular part of all—the care of same till it becomes an established lawn; also how to renovate your old lawn.

Let us tell you about shade and ornamental trees, the kind to plant, and the proper location in your lawn. Shrubs and evergreens add wonders to a landscape planting. We can tell you where to plant them, and how they grow, relative to heights, etc.

Color! Color! Everybody wants color, and lots of it. This can be accomplished with the proper use of the many annuals, and perennials we have to offer, used in mass planting or single.

Rockerries and lily pools are all the vogue, and not necessarily an expensive addition to your planting. Ask us about them.

"Beautify your home by planting."

Our Landscape Department is always at your service.
